

# The Right Meds at The Best Price™

**YOU'RE ALREADY ENROLLED!**

This FREE member benefit is part of your health plan. There's no cost to participate.

You could save hundreds or even thousands of dollars each year on your prescriptions.

Scripta finds prescription medicines that are the same or clinically equivalent to the ones you're already taking, but they cost less on your insurance plan.

If you have an opportunity to save, you'll receive a **Personalized Savings Report** that lists your current meds & lower-priced options to discuss with your doctor.

## Saving with Scripta is Easy as 1-2-3:

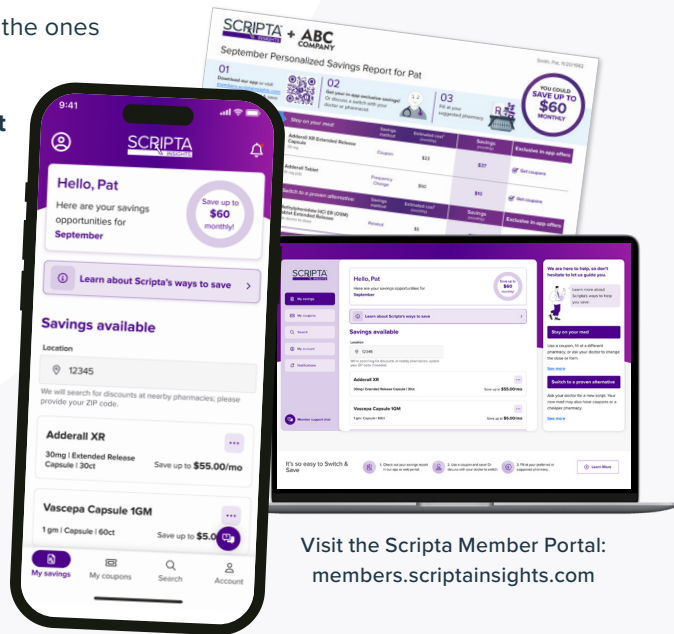

- 01 Download our app or visit [members.scriptainsights.com](https://members.scriptainsights.com) to see your full report & save
- 02 Get your in-app exclusive savings! Or discuss a switch with your doctor or pharmacist
- 03 Fill at your suggested pharmacy

Reports may come via mail or view your latest Rx savings anytime, 24/7, in the Scripta app or online member portal. Savings reports will be available soon.
