

Take care of your smile and your overall health

Get \$50 towards oral care products*

Having a healthy mouth and gums can impact — and even improve — your overall health, including conditions like heart disease and diabetes. The **CVS Flex Benefits™ program** makes it simple to get the oral care products you need.

Make the most of your allowance

Your CVS Flex Benefits program offers a convenient way to support your oral health. You'll receive an allowance* to use on more than 300, over-the-counter, CVS branded eligible products — in store, online or by phone — including power toothbrushes, toothpaste, mouthwash and more.

It's an easy way to take care of your health while managing everyday costs.

Ready to get started?

Check your allowance balance and shop eligible oral care products in a CVS store, online or by phone.
