Save an average of 34% when you upgrade from a 1-month supply of medication.*

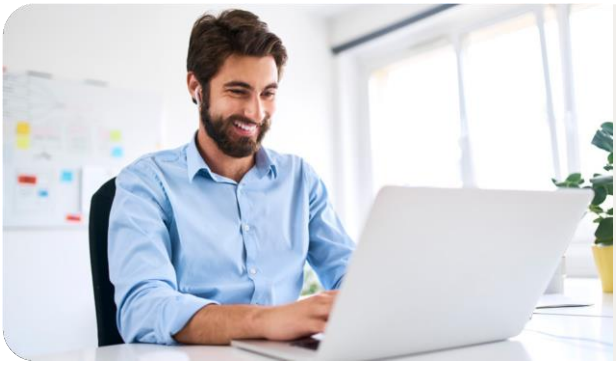

Are you an Express Scripts member who takes long-term medication? Do you want to simplify your life? Then get more with a 3-month supply. It's already included in your pharmacy benefit at no extra cost and is available with home delivery from Express Scripts® Pharmacy or at any participating retail pharmacy.

No more hassle.

Stress less making fewer trips to the pharmacy. You'll also be less likely to miss a dose since you won't be refilling as often with 3-month supplies.

Put more back in your wallet.

Why let a 1-month supply hold you back? You could save two copays a year – or 34% on average – when you switch to 3-month supplies.
