YOUR PRESCRIPTION SAVINGS BENEFIT.

Get The Right Meds at The Best Price™

SCRIPTA™ INSIGHTS
The Rx Navigation Company℠

You could save hundreds or even thousands of dollars a year on your prescriptions.

Scripta is your prescription savings benefit, included in your health plan at no extra cost. When there's a way to save on one of your meds, you'll get a Personalized Savings Report showing lower-cost options and how much you could save. You decide what's next, and your doctor always has the final say.

Start saving in 3 steps

1. Get the app or visit members.scriptainsights.com

   Download on the App Store | GET IT ON Google Play

2. Check your savings and discuss your options with your doctor.

3. Fill your prescription at the suggested pharmacy.

Already included

Scripta is part of your benefits. No cost, nothing to sign up for.

Scripta is HIPAA compliant. Your personal health data stays private and protected. Always talk to your doctor before changing any medications.
